- The program is for grades K-8. (Kindergarten children must be transported and have an adult on the mountain with them)
- The program meets in January & February from 2:40-4:30 pm.
- The 1<sup>st</sup>-8<sup>th</sup> program meets for 7 weeks. Six weeks of lessons and the last day is the “Donut Hole Races”.
- The Kindergarten Program meets for 6 weeks. Five weeks of lessons and the last day is the “Donut Hole Races”.
- The program does NOT meet the week of the February Break.
- All children are required to wear a helmet to participate in the program.

## Behavior

- Good behavior is always expected during a recreation and school program.
- Children will be respectful to the people in charge, lead & student instructors, volunteers, bus drivers, and ski personnel.
- Any discipline problems or failure to obey the rules could result in a suspension or expulsion from the program or final trip.

## Learn to Ski/Ride Discipline Guideline

- The document is linked on the program page of the Ski/Ride Program.
- This document will cover the Discipline Guidelines for behavior before getting on buses at schools, riding the buses to and from the mountain, being in lessons, behavior on the mountain, and in the lodge, and respect for all those involved in the program; to include Lead & Student Instructors, Volunteers, Bus Drivers, and Cochran’s Staff.

## Weather Conditions & Cancellations

- Children must dress for the weather conditions. Dress in layers to stay warm.
  - If a child does not arrive with appropriate gear (ex. no mittens or gloves), they will be instructed to stay in the lodge.
- When it comes to wintry weather and cold temps, parents must decide if conditions are applicable for their child to participate.
- The ski area may cancel due to un-skiable conditions, or we may have to cancel due to unsafe travel conditions.
- If school closes on a Wednesday during the program, the program is canceled that day also.

## On the Mountain at Cochran’s

- No one ever skis or snowboards alone. The buddy system must be used, or your child must always be with an adult.
- Everyone is to stay on well-marked and groomed trails ONLY. Any reports of off-trail will jeopardize your child’s continuation.

## Lessons:

- This is an educational/instructional program. All participants are required to be with their assigned group and in lessons.
- Lessons are mandatory- if **NOT** in lessons a child can be suspended or removed from the program.
- Lessons begin at 2:40 pm and are an hour for levels 4 and above. Free Ski/Ride will begin at 3:40 pm for these levels.
- All other levels will have lessons until 4:30p. Children will progress at their own pace through levels.
- All NEW participants will begin at level 1 of lessons and can progress quickly, as they demonstrate the skills of each level.

## Equipment Loan

- If you plan on borrowing equipment for the program you must sign up for a fitting day and time.
- This must be done on the Recreation website on the Learn to Ski/Ride program registration page.
- There is a \$30 fee for equipment loan for the season. Payable the night of the fitting.

### **Parent Pickup at Cochran's**

- Pick up at the school is no later than 5:30 pm. Buses will plan to arrive by 5:15 pm each week.
- **Do Not** park in front of the school or the bus area. Buses and equipment trucks need to be able to enter that area.
- Once at the WCS school, children must remain in the front of the school until picked up by a parent/guardian.

### **NOTE:**

Children who are registered for **With** Transportation are responsible for the following:

- For getting on all ski/ride and winter gear at school with help from parent volunteers
- For finding their equipment at the mountain and putting it on
- For knowing whether they are taking the bus or being picked up at the end of the program day
- For those taking the bus, returning their equipment to the Truck/Trailer at the end of each program day

If this is overwhelming for your child you should consider registering **WITHOUT** transportation or picking up at the end of each day at the mountain.
