Important Information for School Usage

Regarding the use of school facilities, it is important to review several items that we feel are important before the start of the season. Parents, we ask that you go over these items with your children, so everyone will be clear on the expectations.

1. All players must stay off of all equipment owned by the school; it is not for our use.
2. All basketballs must remain in the gym; at no time should they be in the hallways or lobby.
3. Siblings must be under a parent's supervision at all times. Siblings are not allowed in or running around the hallways and lobby or to play with or on any school equipment.
4. All players must be made aware that running through the school, or any disregard for school property will not be tolerated. Custodians are not there to supervise children, this includes siblings.

The Recreation & Parks Department appreciates the privilege of the use of the school facilities.

Failure to abide by these could jeopardize our use.

We ask for parent's support in the enforcement of the above guidelines with your children.
