Program Registration & Payment Info

REGISTRATION

Registrations are accepted online or In-Person (registrations are not accepted over the phone). In-Person registrations need to have created a household account on the Recreation website prior to coming in. Registrations are accepted on a first come, first serve basis. Some programs have limited enrollment, so early registration is encouraged. (credit cards are not accepted at the Rec. Office).

REGISTRATION DEADLINES

Registration deadlines are set at 7 days prior to the start date of a program, unless otherwise stated. Deadlines are set to ensure that minimum numbers are met to offer a program and commitments are made to instructors based on numbers one week prior to start date. Registrations received after the deadline will be accepted if space is available, but there is no guarantee of placement. Registration will close when a program has reached its maximum number and a waiting list will be created. No registrations are accepted after the second meeting of a program, after the first day of a camp, or in the case of a sports program, a player has to attend one practice before the first game, otherwise they cannot register.

FEES & PAYMENTS

Payment must be made in full at the time of registration, either by the online or offline payment options, unless a deposit is allowed. Deposits are NON-Refundable. If a deposit has been paid, the remaining balance is due by the required date listed for the program. Participants will not be allowed to attend a program until payment is paid in full. Checks are to be made payable to: Williston Recreation & Parks.

ONLINE REGISTRATION & PAYMENT OPTIONS

Please Read: There are many ways that you can use this site to register for Recreation Programs. Be sure to read through each before beginning the process. Some programs might not be available for online registration.

1. Online Registration with Online Payment- Payment with a Credit Card. Select the programs that you want and place them into your cart. Proceed to check out. At the payment option choose- "Check Out Online" and pay with a credit card. You will be enrolled and paid for those programs that you selected. Processing Fee: There is a \$2 or 3.5% processing fee, whichever is higher, on your total balance at the end of your transaction. The program fees will be billed by Williston Recreation & Parks, and the processing fee will be billed by GovtPortal. The town does not collect or keep the processing fees.

2. Online Registration with Offline Payment- Print Form and Pay with Check/Cash. Select the programs that you want and place them into your cart. Proceed to check out. At the payment option choose- "Check Out Offline" and print off the Registration Form. The form needs to be mailed, brought in, or use the drop box, with payment, either check or cash. (credit cards are not accepted at the office).

Note: Using the Offline Payment Option- "Check Out Offline" does NOT enroll the person for the program(s) that were selected, until payment, by check or cash, has been received and processed. The person is not counted towards the minimum or maximum numbers for a program and may not get into the program if it fills before we receive the payment. Send in or drop off payment immediately.
