INFORMATION PACKET

Williston Day Camps

www.willistonrec.org

Dear Parents,

Thank you for choosing a Summer Camp in Williston. We look forward to having your child in camp this summer and working with you to provide them with a positive camp experience. Our camps offer a unique and enjoyable summer experience for all, but to make this experience possible for your child we need your help and support. This begins with this information packet.

This packet includes all the necessary information that you will need to prepare your child for their camp experience. We ask that you read through this entire packet. We also ask that you and your child, together, read over our ***Camp Policies and Procedures Section***. This will provide your child with an understanding of what is expected of them while at camp and will help them arrive informed and prepared for their camp experience. We want to do everything possible to make your child's camp experience rewarding, fun, and memorable.

If your child has special needs; physical, emotional, or behavioral, please contact the camp before your child's first day of camp. Send an email to willistonreccamp@gmail.com to request a meeting or for you to be called back to discuss your child. **Note:** Camp staff is not available until the week before the first session of camp. The email is not monitored until that time. You can send an email before then, but it will not be answered until the week of staff training.

Know that we are not part of the school system or after-school program, so we are not aware of your child's needs or any systems that may be in place to help your child. Please share with us what is working for your child and the things in place that help them to be successful. Our goal is to provide your child with a wonderful experience, but we can't do that if we do not know how to. We will work with the child and family to reach this goal, but if we cannot then Camp may not be the best place for your child.

As a reminder, the remaining balance of your camp fee must be paid in full before the second Friday in June. You can make weekly, monthly, or one final payment before the due date. However, if the final payment is not made before this date your child will be removed from the camp list and won't be allowed to attend until the balance is finalized.

Congratulations on planning a very special summer camp experience for your child. On behalf of the staff, we look forward to working with you and your child to make this an experience that will last a lifetime.

Sincerely,

Williston Recreation Camp Staff

CAMP PROCEDURES AND GUIDELINES

Camp Mission:

“To provide young people with an opportunity for social, mental, and physical growth through participation in a camp that creates a climate of cooperation, respect, and concern for the individual.”

Camp Vision:

“Memories that last a Lifetime.”

A commitment to the children and staff to provide a safe, fun, and educational place that creates Memory Making Experiences.

Camp Values:

- Safety-** To provide a safe, healthy camp experience for all children.
- Respect-** To help children appreciate themselves, their peers, and their environment through play and teamwork.
- Fun-** To provide an opportunity for all children to participate in a variety of fun and recreational activities during their summer break.
- Development-** To give children the opportunity to develop their skills in a variety of areas, and acquire an appreciation for the love of sports, nature, arts, and recreation.

Camp Goals:

Camp provides a unique opportunity to affect the lives of young people. By utilizing the resources of the natural surroundings, camp can contribute significantly to the mental, physical, and social growth of campers. Counselors must clearly understand the objectives stated below and must constantly work toward the achievement of these goals.

1. Keeping the program child-centered. The individual’s age, needs, and interests should determine to a large extent what activities are to be conducted.
2. Providing opportunities for campers to practice healthy habits, stay physically active, and share in maintaining good safety standards for the welfare of all.
3. Stressing the acquiring of new skills and encouraging leisure time activities that can be pursued for life.
4. Developing an appreciation for the outdoors by encouraging participation in camp crafts and nature.
5. Fostering a positive social experience by teaching children how to relate and interact with others.

Camper Agreement:

For all to have an enjoyable and healthy camp experience, all campers need to know, understand, and follow the Camper Agreement.

Parents are required to read over this with their children and be sure they understand it before coming to camp.

CAMPER AGREEMENT

I (the camper) understand that:

- I must always respect myself and others.
- I must always respect the property and equipment of the Day Camp, the school, and others.
- I must always act appropriately, safely and be on my best behavior.
- I must always follow the rules and guidelines of the Day Camp and those developed by my Pod.
- I must seek out help from the counselors and my parents if I have a problem or am upset about something.

I (the camper) understand that I must follow the 3 Rules of Camp:

- **Listen**- Be a good listener. Good listeners use their eyes and ears, think about what is being said, and ask questions if they don’t understand.
- **Follow Directions**- Follow the directions that you have listened to and heard. Do what is asked of you.
- **Have Fun**- Good listeners understand, follow directions, and have fun through participation. Not so good listeners don’t have fun, because they didn’t hear what to do, so they don’t understand and feel lost when asked to follow directions.

I (the camper) further understand that:

- If I do not follow the above agreement, there will be consequences for my actions or behavior.
- I will have to work on my behavior and will accept the help of the camp staff and my parents to do so.
- I will be asked not to return to camp if my behavior does not improve.

BEHAVIOR MANAGEMENT

Camper Behavior:

To provide every camper with a safe and high-quality experience, we strive for group unity and teamwork in the camp. One way of meeting this is to have all campers share in the development of rules and guidelines.

The camp has identified a Full Value Contract that provides the following principles and rules that all campers must adhere to:

1. Campers will value and respect themselves.
2. Campers will value and respect other campers and the counselors.
3. Campers will value and respect camp property and equipment.
4. Campers will always conduct themselves safely and responsibly.
5. Campers will follow all rules developed by their Pod and the camp staff.

Philosophy: *The philosophy on behavior management and discipline is to be Firm, Fair, and Consistent.*

Firm- to let campers know what is right and what is wrong. To enforce rules and guidelines always for the safety of all. To help them understand that the counselors are responsible for each of them and must enforce rules and guidelines for the safety of all.

Fair- to treat and respect all campers equally. What is done for one child must be done for all, showing no favoritism. Bad behavior is bad behavior for every child. All children will have the chance to explain themselves and their side of the story.

Consistent- Always follow and enforce the rules, all the time. Rules and guidelines will be set that are age-appropriate and explained to all campers on the first day, this will help them understand what is expected of them. Consistency of rules, guidelines, expected behavior, and discipline throughout all areas of camp will also help them understand and retain how they are to act and behave as a camper.

Camp 3 Rules:

To provide consistency, the Camp has identified three rules that will be explained and used in all areas of the camp.

Listen- Be a good listener. Good listeners use their eyes and ears, think about what is being said, and ask questions if they don't understand.

Follow Directions- Follow the directions that you have listened to and heard. Do what is asked of you.

Have Fun- Good listeners understand, follow directions, and have fun through participation. Not-so-good listeners don't have fun, because they don't hear what to do, so they don't understand and feel lost when asked to follow directions.

Behavior Conduct:

All campers will behave and act in a manner that is safe for themselves and all others around them. They will demonstrate the ability to follow the rules and behavior guidelines of the camp and those that the group develops.

If not, the Discipline Guideline will take effect and all steps will be utilized to help the camper change their behavior. An effort will be made to work with the camper and the parents to help the child learn, grow, and manage their behavior in camp.

The first step is for everyone to understand and agree with the "Camper's Agreement." This is the first step to the proactive means of positive behavior. If everyone knows, understands, agrees with, and uses the agreement, campers will learn to use it as their means to positive behavior.

The safety of everyone is of the utmost importance. To ensure everyone's safety this list of behaviors and actions has been determined to be grounds for immediate dismissal from our recreation programs.

- *Possession or use of any drugs, alcohol, tobacco, or marijuana*
- *Possession or use of any weapons, firearms, or fireworks*
- *Stealing, vandalism, or damage to any property*
- *Unauthorized leave of absence from the group or program*
- *Unauthorized participation in an unsupervised activity*

Note:

The Camp Staff reserves the right to send home any camper whose behavior is detrimental to the best interests, health, or safety of other campers, staff, themselves, or the camp.

Parents are to have alternate arrangements in place if their child must be removed from camp. All emergency contact people will be notified to reach someone who can help with the situation.

No refund is given for disciplinary dismissal.

DISCIPLINE GUIDELINE

The Discipline Guideline has been created to keep all campers accountable for their actions but at the same time work with campers, staff, and parents to educate campers on the right and wrong of their behavior. It is not a tool to expel or get rid of campers who are not following the rules of camp or demonstrating unacceptable behaviors. The camp believes that all campers deserve a chance to learn from and correct their unacceptable behaviors.

The Camp uses a Four Step Discipline Guideline to work with campers to help make the camp experience a safe and enjoyable one for them and those involved.

Step One: Interaction between Camper and Counselor.

1. The counselor will begin by giving a camper a warning for unacceptable behavior and explain why the behavior is unwanted/dangerous.
2. If the unacceptable behavior continues, the Counselor will initiate an appropriate "Time Out." Unacceptable behavior will be discussed and acceptable behavior or how they need to change it is provided.
3. If the behavior continues the counselor will call for the Directors to come and speak with the camper, which initiates Step Two.
4. If the behavior is threatening to other campers or themselves, the camper will be brought immediately to the Directors.

Step Two: Interaction between Camper and Directors.

1. If the inappropriate/unsafe behavior continues after the counselor has given a warning and a time out the camper will be removed from the activity and the Camp Directors will be called to talk with the camper. The counselor will explain the camper's behavior and steps taken to help with improvement.
2. After the Directors have spoken to the camper a Behavioral Report is to be filled out. Parents will be notified of any Behavior Reports at pick-up.
3. Camper will be allowed to participate in the next and any following activities, so long as reoccurring or new behaviors do not come up.

Step Three: Interaction between Camper, Parent and Directors

1. If the camper shows no improvement in behavior or it escalates during the day, parents will be notified and asked to meet with the Directors at the end of the day, or they could be asked to come immediately to meet and pick up their child, depending on the severity of the situation.
2. Meeting with the parents will be an opportunity to learn more about the camper and work with the parents to put in place any behavior modifications to allow the camper to remain in camp.
 - If parents are not responsive to working with the camp staff for the sake of the child. Parents will be asked to take the camper home and not return to camp.
 - If parents are open to working with the camp staff to help the child be successful, a list of behavior modifications will be worked out and explained to the parents and child.
3. Consequences of misbehavior could be not able to attend a water day, a field trip, or being asked to take a day off from camp.

Step Four: Removal from camp

1. If the behavior continues, the camper will be dismissed from camp.
 1. If the camp administration feels as if the behavior exhibited is detrimental to the best interests, health, or safety of other campers, staff, themselves, or the camp the camper will be asked to leave permanently.
 2. Parents will be contacted and required to pick up the child immediately.

NOTE: No refund is given for disciplinary dismissal of a day or the remaining part of a session.

Phone Calls

Only the camp staff has use of phones. We do not allow campers to call parents. We feel that calls to parents can make a homesick camper even more homesick. If the camp staff feels a call to the parents is warranted, the director will make the first contact with the parents. If not, the parents will be informed of the situation at pick-up time. A parent will be contacted in the case of an emergency or if disciplinary actions warrant a meeting or the removal of their child from camp.

Visitors

Personal visits by parents, relatives, and/or friends during the camp day are not allowed. The staff is hired to oversee and provide activities for children only who are enrolled in camp. There is also a ratio of camper to staff that is maintained. Also, all staff undergo a background check before being hired.

Lost & Found

All lost and found items will be displayed at the end of each day and the end of a camp session. Please be sure to check for lost and found items daily. At the end of the summer, all lost and found items will be kept at the Recreation Office until the end of the Fall season, at that time all items are donated to a local charity.

Labeling

It is very important that all personal items and clothing be marked with your child's name with permanent ink or labels. Camp is not responsible for lost, misplaced, or stolen items.

Designated People For Pick-Up

You are asked to list people, during registration, who have your permission to pick up your child. This info is kept at the check-in/check-out area. The camp staff is not authorized to release your child to anyone who is not on the list. If you need to update the list, you can do so at check-in or check-out. In an unforeseen situation, you must have a person pick up your child that is not on the list, you must call the camp and provide the person's name. No child will be released to anyone who isn't on the list or whom the camp has not been notified of.

Appointments/Early Pick -Up

- Late Arrivals & Early Pick-ups are highly discouraged during the camp day. It interrupts your child's experience and is distracting to the camp community. If an early pick-up is unavoidable you must notify the camp in the morning and the same procedures from above will be followed.
- Parents should avoid making appointments when their child is attending camp. If you do so, you will need to plan around the camp schedule.
- In unforeseen situations, you must inform the camp of the appointment at check-in time in the morning.
- Plan for extra time when picking up your child. We will locate them upon your arrival for their appointment. We cannot have children waiting, as there is not a staff to supervise.

Updating Your Contact Information & Keeping Us Informed

- Camp staff need to be able to reach you whenever necessary.
- If at any time you will be at a different location or number for the day, inform the camp staff in the morning at check-in.

- Be sure to label your child's food with their name.
- Campers attending camp all day or attending a morning option, must have snacks, lunch, and drinks.

- If your child is doing a morning and afternoon camp in the same week, the staff will get them, have lunch, and get them to their afternoon camp. The time between camps is free. Campers must bring a lunch with them each day.
