## Preparing Your Child- Procedures, Reminders & What to Bring

### Enrichment Camps Info Packet- [Click Here](#)

#### First Day of Camps

- Check-in is very important each day and we ask that parents escort their child to the check-in.
- Check-in location will be in the welcome email.

#### Camp Times

- Campers may **NOT** be dropped off early for camps and they must be picked up promptly at the end of camps.
- Please be sure to make every effort to have your child in camp during the camp hours.

#### Lunches & Snacks

- Campers attending an all-day Enrichment Camp or staying for a morning and an afternoon camp, must have snacks, lunch, and drink.
  - All lunches and snacks should be healthy and provide your child with the energy to be active.
  - All food must be non-perishable, as there is no refrigeration. Lunch bags/boxes with ice packs work best.
  - Be sure to label your child's food or bag with their name.
- If your child is doing a morning and afternoon camp in the same week, the staff will get them, have lunch, and get them to their afternoon camp. The hours between camps are free. Campers must bring a lunch with them each day.

#### Nut Allergies

- Due to the high numbers and high risk of nut allergies, our camps are **NUT-FREE**.
- Help us provide everyone with a positive, safe camp experience. Do not send any nut food products for snacks or lunch.

#### Parking

- Parking is only allowed in designated parking spaces.
- Do not park in Fire or Bus lanes. They are still in use during the summer months. There is the possibility of being towed if you do.
- Do not cross or run over any cones. They are there to protect campers and staff.

#### Walking or Bike Riding

- If your child will be walking or riding their bike to and from any camp, you must provide a written note that gives them permission to do so with the times that they will be arriving and leaving.
- This is for the safety of your child and for our staff to be aware of the comings and goings of campers.
- The note must be given to the person at check-in on your child's first day. Parents must bring them to check in on the first day.

#### Ill Child & Absences

- We do not have the facilities to care for ill children.
- If your child seems ill in the morning, before coming to camp, you must find alternative care.
- If they become sick at camp, parents will be notified, and arrangements must be made to pick them up.
- If your child will not be attending a day for a planned absence, please notify the instructor ahead of time.
- If your child is sick or will not be attending on a day, you must contact the camp directly. Info will be in the Welcome email.

#### Medications

- Children should take medication at home if possible.
- If meds need to be administered at camp- Parents must fill out a **Medication Authorization Form** and follow the **Medication Policy**
- All meds that are needed to be taken at camp will be kept with the instructor.
- A **Medication Authorization Form** and a week's worth of the medication must be brought in each Monday that your child attends and given to the instructor.

#### Labeling

- It is very important that all personal items and clothing be marked with your child's name with permanent ink or labels.
- The camp is not responsible for lost, misplaced, or stolen items.

#### Lost & Found

- All lost and found items will be displayed at the end of each day and the end of a camp session.
- Please be sure to check for lost and found items daily.
- At the end of the summer all lost and found items will be kept at the Recreation Department until the end of the Fall season, at that time all items are donated to a local charity.

#### Updating your Contact Information & Keeping us Informed

- Instructors need to be able to reach you whenever necessary.
- If at any time you will be at a different location or number for the day, inform the instructor in the morning at check-in.
- Instructors need to be kept updated and informed on anything that could affect your child's behavior or attitude in camp.
  - For example, if things are upsetting your child about camp or if there are things outside of camp causing stress.

### **Session Cancellations**

- Cancellation of a session can be done up to eight (8) days before the start of that session.
- The Non-Refundable \$25 deposit is deducted first, and the remaining is refunded.
- A refund takes approximately three weeks to process and receive.
- **NOTE:** No refund is given after eight (8) days of notification or for disciplinary dismissal.

### **What Not to Bring: (Electronics or toys)**

- Instructors work hard to organize fun and exciting activities, so please help by making sure your child does not bring any type of electronic device.
